

Start of Term Update January 2021

Dear parent or carer

I trust that you all had a peaceful Christmas and New Year. It has been very different than previous years and know that for many it has been a much quieter holiday season.

As we approach the start of Term 2, we are once again faced with last-minute changes from DENI. Although this is very frustrating for everyone, I also understand that COVID has forced us to consider an ever-changing set of circumstances, aimed at keeping everyone safe whilst acting in the best interests of the pupils and staff. *Following the announcement of Peter Weir on 31st December 2020 and subsequent Assembly discussion, guidance has been issued by DENI:*

- Primary school pupils will be taught remotely until 8th January, after which they will attend school for face to face teaching.
- Schools will accommodate vulnerable children and children of key workers

What does this mean for us?

Wednesday 6th January: staff training day, including time to prepare remote learning

Thursday 7th & Friday 8th January: children complete remote learning tasks at home. School will accommodate vulnerable children and the children of key workers.

Monday 11th January: All children return to school for a normal school day (face to face teaching).

School Meals

Parents of children in receipt of FSM will receive a payment from EA for w/b 4th January.

Accommodating vulnerable children and the children of key workers

(Definitions of both vulnerable children and key workers have been included at the end of this update).

- Some children in these categories will be accommodated in school through supervised learning.
- This is very different to daily teaching.
- In the first instance they will be given time to complete the same tasks as those at home.
- Staff will be dividing time between supporting remote learning and supervising the learning of the children physically present. There will therefore be an emphasis on working independently.
- We do not expect that EA school dinners (and canteen break) will be available. Children should bring a break and packed lunch.
- *Further information regarding eligibility and a link to an online application will be circulated at the start of the week.*

I'd like to repeat a paragraph from End of Term Update: *no matter what Term 2 brings we are confident that we are able to do our best to make sure children continue to plug gaps and make progress. Please try not to worry too much at this stage. There is a lot of speculation – for you own well-being, try not to listen too much to what that might be. We have supported our learners and families before and will do so again. We are all learning new ways of working and will keep expectations realistic.*

I will keep parents informed should there be more information or updates before the start of term.

I hope that you and yours continue to stay safe.
